

TAROT READINGS BY AMANDA MARIE

Offered Via Video Chat or In Person

It is my intention as a Tarot Reader to hold a trauma friendly, kind, and sensitive space.

I have built a relationship with the Tarot with the intention of amplifying the voice of inner truth, intuition, and wisdom from the part of you that is connected to collective conscious; source energy, the divine. I view each card as an invitation for us, not to us; for our personal and collective evolution; to grow, heal, expand and transform. Most importantly for empowerment through deep reflection and connection in the present moment.
