EDUCATION

B.S. Psychology, University of Iowa, 1967
M.A. Experimental Psychology, University of Nebraska-Omaha, 1973
B.A. Art and Art Education, University of Wisconsin-Platteville, 1975

MILITARY SERVICE

U.S. Army, 1968-1970
Psychology Technician, U.S. Disciplinary Barracks, Ft. Leavenworth, Kansas

WORK EXPERIENCE

Art Teacher, Gays Mills(K-12) and Markesan(High School), WI, 1975-1988
Artist, Self-employed, 1988 to present

DESCRIPTION OF ART WORK

I paint with acrylics on a variety of surfaces. Clay surfaces include wheel-thrown and altered sculptural forms as well as flat and 3D wall pieces. I also paint on masonite, foam core board and on canvas. The compositions are abstract geometric variations. I like bold color and outlines with sharp contrasts in color and light and dark.

ART ASSOCIATIONS

EXHIBITION – One of a few Wisconsin artists selected to display their work in the Department of Administration Building in Madison, WI. This building houses the Wisconsin Arts Board and numerous other state offices. The lobby exhibit space was specifically

design to showcase Wisconsin artists. Paintings and painted ceramic forms were on display for a two-month period beginning November 2004.
