

# Let's Be Friends

by Violet Lemay

Color My Friends!  
Activity

1) If possible, print on card stock.  
(No card stock? Paper is fine!)

2) Color the person to look like your friend. Decorate however you like: collage, googly eyes, yarn hair, etc.

3) Cut out carefully. Ask an adult for help cutting.

4) Repeat as many times as you like!

5) To string your friends together in a daisy chain, ask an adult to use a hole puncher to make holes at each "x".

6) Using the holes, gently thread your friends together through the with ribbon, and tie loosely in bows.
