## **Returns- Ready-to-Wear vs Custom; there's a difference**

Your satisfaction is our top priority. We guarantee the quality of our products and we want you to be completely satisfied with your purchase. If for any reason you are not completely satisfied with your ready-to-wear purchase when it arrives, please contact us within 7 days. We will be happy to facilitate an exchange or return for the **unworn** hat to ensure your complete satisfaction. While we make every effort to accurately represent work in descriptions and photographs, we ask you to please review each product description before making your purchase. Each piece is one-of-a-kind and sizes will vary. If you are not sure about sizing or what shapes might work for you, please message us for guidance.

You, your taste and your head are unique; if we make a custom hat for you, it's yours because it was made for you. Please note that bespoke, custom head wear is not returnable and therefore non-refundable but will do our best to accommodate your situation.

Looking forward to working with you on your project. Thank you!
