- Fully read these **aftercare** instructions: [CLICK HERE](#) before your appointment. If you have any questions, bring them up to your artist at your appointment. If you would like to get saniderm, to replace the bandage after 24 hours, this is the Amazon link: [Saniderm](#)
- Payment: Preferred payment method is Cash. All other payments will have a 5% fee attached for processing. (Venmo, PAYPAL, credit card ZELLE) Reminder, your deposit is not refundable, but will be applied to your total due.
- Be sure to eat a full meal beforehand. Bring snacks and water if your session is longer than 2 hours. Don't drink alcohol excessively the night before, and not at all one the day of your appointment until afterwards.
- Getting tattooed is a pretty intimate experience so please **do not** wear perfumes or cologne, as many people are sensitive to smells. Also we appreciate you showering before your appointment, using a light exfoliant on the skin really helps - but dont irritate the area getting tattooed :)
- Quadruple check any spelling! Your tattooer is an excellent artist, but not necessarily a spelling master. If it's in a language you don't speak, make sure it's from a reliable source.
- Mentally prepare for the pain/discomfort of being tattooed. Distractions can be helpful, so feel free to bring your favorite new book, iPod, kindle, iPad or other personal device. Headphones are a good idea to bring. The shop does have WiFi for you to use.
- Wear black (ideally) or dark comfortable loose clothes/not your best outfit (occasionally clothes may get ink/fluids on them. Be sure to dress for your tattoo, being aware of the area your tattoo will be in, making sure it is easy to access.
- If you don't know what type of garments will work best for your particular tattoo, please ask your artist.
- BRING A VALID PHOTO ID. It must be a valid government issued plastic ID/passport. Absolutely no paper IDs or expired IDs accepted
- Also be aware of upcoming life events, and how the healing of your tattoo might be affected by them (i.e. vacations, athletic competitions, etc.)
- I will not tattoo you if you show up with numbing cream unless cleared ahead of time as certain numbing creams work, and others harm the healing process.
- Please do not show up to your appointment intoxicated in any way, (this includes microdosing). I will not tattoo you if I feel you are not in a sound state of mind.
- Lastly...Relax, you're in good hands! - Thanks for letting us tattoo you!
