

A real deposit bank
Full of Grandma's belongings
Useless now
But you can't throw them out.

Possessions

A real steamer trunk
Full of Grandma's belongings
Useless Now
But you can't throw them out.

Possessions

A real steamer trunk
Full of Grandma's belongings
Useless now

There are lots of notes
in little books
On scraps of paper.
She seems
To have written
A lot of stuff
Down.

Some old costume jewelry
Grandma's **GOLD** tooth
What are you supposed
To do with that?

There are lots of notes
In little books
On scraps of paper.
She seems
To have written
A lot of stuff
Down.

Mostly a record-keeping
Of giving
And forgiving.

Reminds me of notes
My mother and brother
Make
They're always lying around.

To have written
A record-keeping
Down

Mostly a record-keeping
Of giving
And forgiving

I admit
I make them, too
But I try to be tidy.
Throw them away
When I can.

is dead

es her mind

on OD

I give her

We're a family
Who needs help
Not to forget things.
