

RENDERINGS BY ARCHITECTS^{.COM}

LETICIA CORTES, Creative Principal of Renderings by Architects, is a master watercolorist with extensive experience in architectural illustration. Her expertise in the related design and architectural fields is also far-reaching as she

operated her own architectural firm from 1982 to 1992. Ms. Cortes holds a Bachelor of Architecture degree, and an Interior Design Certificate by Parsons School of Design in NYC. Her ability to conceptualize spaces and her sharp skills to develop and construct perspective are invaluable in setting design directions for each commission.

DIO CORTES, Principal of Renderings by Architects, has over 20 years of experience as an architectural illustrator. His experience in the design and architectural fields is equally extensive as principal and project manager of his own

design firm between 1982 and 1992. Mr. Cortes holds a Master's degree in Fine Arts from Hunter College, in New York City and a Bachelor's degree in Architecture. Mr. Cortes vibrant but accurate drawing technique brings to each illustration a fresh, yet elegant style.
