

***“Accessibility Is Life”*** , Acrylic on Panel, By Jami Joelle Nielsen, 2019  
*To Accompany Poem:*

**“ACCESSIBILITY IS LIFE”**

We are not invisible,  
Despite exclusion by design.  
We just wish to live and exist in real spaces,  
Not just online.  
We are an afterthought,  
If thought of at all.  
Please hear our voices,  
We are hitting brick walls.  
We have so much to offer,  
If only given the chance,  
To contribute and have purpose is our right,  
Despite circumstance.  
We don't ask for much,  
Only inclusion and such.
