ARTIST COLLECTIVES

Summer School- Consisted of a group of Chicago area MFA students and friends who met weekly for three hours to critique each other's artwork. An independent class formed among us to keep our artist's community active while on summer break.

Brackish Waters-Artist collective formed by a group of friends, living in Brooklyn, Queens, and Manhattan-met once a week to focus topics including artist lectures and show openings. Conducted critiques of friend's studios twice a month. New York, NY, 2006-2009.
