Fall Art Tours 2022

Please join Rena Sternberg for her 32nd year of leading art tours. The tours consist primarily of visits to contemporary art galleries, private collections, artists' studios, and museums of special interest. Each tour includes a catered or restaurant lunch and an informal lecture by an artist or art dealer. This year our tour dates consist of **two Thursdays and two Fridays**. You may sign up for two, three, or four tours. Please keep in mind you must sign up for a minimum of two tours. ***If you do not know your fall schedule, please send in your application and payment with potential dates. You can always change your dates later in the season.***

<u>Thursdays</u>	<u>Fridays</u>

Tours begin between 10:30 and 11:00 am and finish at approximately 1:30 pm. Although the purpose of the tour is educational, in some galleries I may receive a commission if a purchase is made.
