Fall Art Tours 2019

Please join Rena Sternberg for her 29th year of leading art tours. The tours consist primarily of visits to contemporary art galleries but also include visits to private collections, artists' studios, and museums of special interest. Each tour includes a catered, or restaurant lunch and an informal lecture by an artist or art dealer. This year our tour dates consist of **two Thursdays and two Fridays**. You may sign up for two, three, or four tours. Please keep in mind you must sign up for a minimum of two tours. ***If you do not know your fall schedule, please send in your application and check with potential dates. Payment must be received by September 7th to ensure your early bird discount. You can always change your dates later in the season.***
