

MUD CITY A.I.R. - @mudcityair

Rustic, creative cabin. Located in a small bayside community called Mud City in Manahawkin, NJ. Just at the foot of the causeway bridge to Long Beach Island.

A short, mini-residency program for artists to draw inspiration from the local environment – Atlantic Ocean, Barnegat Bay, Pine Barrens, Edwin B. Forsythe National Wildlife Refuge, water-life, and conservation efforts.

Unplug and create without distractions. Give yourself time to incubate ideas, explore, and create or reconnect with your creative process.

Send me a message, and I will provide you with more info. This is a casual, organic, underground, and personal experiment in building creative community.

More Info, Workshops, and Planned Events to Come!

Application is rolling. Just send me a message to inquire! Follow along on Instagram - @mudcityair
