Please email me a single photograph you would like to see reproduced as a painting. I primarily work from one photo, so if sending multiple photos, please let me know which one you'd prefer to see as a painting or drawing. The others will be for my reference only- getting additional detail of eyes, coat, nose, etc if needed.

If you are commissioning a memorial painting of a pet, I will work with whatever images you have, no problem. If you only have hard copies, simply scan or take a photo of your picture & email it to me.

If you are in the Atlanta area & not satisfied with your own photos, I can come take photos of your pet for you for \$50.
