Photography Requirements

Please email me a single photograph you would like to see reproduced as a painting. I primarily work from one photograph, so if sending multiple photos, please let me know which one you'd prefer to see as a painting or drawing. The others will be for my reference only- getting additional detail of eyes, coat, nose, colors, etc if needed.

If you are commissioning a memorial painting of a pet, I will work with whatever images you have, no problem. If you only have hard copies, simply scan or take a photo of your picture & email or text it to me so that you can hold onto your original.

Please no screenshots if possible.

If you are in the Atlanta area & not satisfied with your own photos or want me to meet your pet, I can come to you and take photos of your pet for \$100. All images (digital) are yours to keep.
