

# Rosanna Lyons

548 Alvarado street  
Brisbane, California 94005  
(323) 434-4662  
2D FX animator  
*rosannalyonsfineart@gmail.com*

*I am a highly experienced 2D FX artist and animator. My primary strengths are design, animation and conceptual work. I work very quickly and at a high level of quality. Working on The Simpsons, in particular taught me how to animate almost every effect you might think of; from water to fireworks to pig swill to Homer's head being blown off!*

## **Related Work Experience and Representative Projects:**

February 2021 – present: 2D FX Animator (TV Paint) – Submarine studio
