Introduction to Oil Painting and Color Mixing

This class is designed for students wanting to learn how to paint with oils. Using a limited palette, Nancy Achberger will explain how to mix colors to achieve value, chroma, tone and temperature. These new skills will be used to experiment with color relationships and create a series of simple design and compositional studies.

This class is designed to precede the next series, Beginning Oil Painting.

This four week class starts on Wednesday, August 29 continuing September 2, 19 and 26. No class September 12.

Time 12 - 2 pm

Small class size , register now to guarantee your spot!

Cost: \$80. Registration deposit \$30.

Supply list will be sent after deposit is made

Nancy Achberger accepts PayPal and Venmo

Beginning Oil Painting

This class will focus on still life painting in oils. Students will learn the elements of a good still life and paint a new composition each week. Students can add their own props to the still life set up.

Nancy Achberger is an award winning painter and has a loose Impressionistic style. Nancy will give plenty of demonstration and hands on help in this small class.

This class is designed to follow the Introduction to Oil Painting Class.

This four week - three hour class is on Wednesdays
 October 3, 10, 24 and 31. No class on October 17.

Time 12 - 3pm

Cost: \$120. Registration deposit \$50. Limited space, register now!

Supply list will be sent after deposit is made

Nancy accepts PayPal and Venmo

Sign up for both series for \$175. and save \$25.
