Personal Information

Born: 1971, Rutherfordton, NC

Resides: in an 80 -year-old log cabin hand-built by my grandfather

Summary of Work

Using traditional papier-mâché techniques I make figurative sculpture and collage out of antique sewing patterns, vintage books and re-purposed objects. My work is a study of human interactions, relationships and memories...sometimes humorous and sometimes tart. Scale and proportion are intentionally manipulated for emphasis.
