1750 x 1200mm

*Sapientia (2016)*  
vinyl tempera & oil on canvas  
1750 x 1200mm

Browne says of his work "I see my painting and sculpture as a way to encourage and make visible those metaphorical images and sensations that normally reside deep in the unconscious". He likes to believe that he is embracing the Rudolf Arnheim statement that "Truly productive thinking takes place in the realms of imagery". He sees his position as one aligned with the Surrealist and poet, Guillaume Apollinaire, who defined this as "Pure psychic automatism"... and "...the true process of thought".

Matthew Browne in his studio.
