

Storm troopers had no illusions
Down pit 10 hours a day
The mud the blood and misery of the Front
It was a different kind of bad a different kind of hard
A lengthy and highly dangerous operation will be required
The men who do this mission know there will be blood
Extreme bloody violence
Sublime of Masculinity
Choose your elite guard
All you men of war
Our warfighters
Outside the wire
Hunter of gunmen
Some skin in the game
Engage, close and kill the enemy
They ran towards danger
They run towards death
Life limiting condition
Redemptive sacrifice
Same as it ever was
3000 calories a day
Transport of war
Indirect approach
Black swan events
Rules for soldiers waiting
Anything can happen, from any or all directions
No battle plan survives contact with the enemy
The massive role of the rare event
A community centred on the other
Projector Infantry Anti-Tank weapon
Interception squads
Machine guns
1200 rounds per minute
Not everyone is a winner
The army does not love you back
Multiple Round Simultaneous Impact
Wounded, shell shocked and gassed
Probability of overall success
Attacking power and mobility
The danger in the East
Extreme exertions
Counter attacks
Diversionary attacks
Available manpower
Sunken emplacements
Armoured Grenadier Divisions
Fortified areas and strong points
Defended to the last man
Parachute and Airborne troops
Man operated cargo pallet
Wire guided torpedo
Archers beats Infantry
Cavalry beats Archers
Infantry beat Cavalry, apparently
War was my university
Bunker archaeology
Wash your hands
Lonely Outpost
Weapon pit
Reality is Free
A defective meme(s)
The anatomy of violence
Between the dog and wolf
Penetrating, enveloping and encircling
Annihilating or wearing down
Regardless of the losses
Battleships of the earth
Automotive forts
Stasis is death
Storm of steel
1000 divisions
Grey surge
The Unknown Soldier
The Missing in Flanders
The Missing
Wine dark sea
Lest we forget
Soldier
Men
