SOCIAL PRACTICE/COMMUNITY BASED ART PROJECTS

- 2018 ***Make Your Mark*** – Interactive painting collaborative performance, political and social media commentary, San Diego, CA
 2017 ***To See or Be Seen*** – Participated in an interactive art performance that introduced drawing into the community, while broadcasting the event through live stream video, New Bedford, MA
 2012 ***Let's Read About Home*** – Community based interactive book art two-day workshop. Working with the local library, displayed book art, presented reading sessions and provided workshops for all ages to make books based on home, community, and education, Ramona, CA
 2011 ***New Beginnings and Portable Memories*** – Organized book art event in response to the devastating CA wildfires: constructing new memories and encapsulating ashes from remnants into books–portable memories, San Diego, CA
 2006 ***Food for All and Food for Thought*** – Organized food drive with an emphasis on community and the arts. Comedic theatrical performances, poetry readings and large portable mural construction–allowing all community members to make art and cultivate community interaction, Poway, CA
