She Didn't Trip: Special Print Offerings

Since 2018, prints from my photographic series *Your Slip is Showing* have helped support organizations advancing the health, safety, and rights of women and girls.

This year, print proceeds benefit [FreeFrom](#), a survivor-led organization working to end gender-based violence, and [GIFTED](#), a social enterprise where every purchase helps survivors build wealth, safety, and power through handcrafted products.

As a special thank-you, each print purchase includes a GIFTED *Big Mood* Lavender & Clary Sage candle (while supplies last).
