I am looking for a position which utilizes my education in art as well as my experiences. I currently have a website which showcases my artistic abilities with a variety of mediums. This online portfolio reflects my skills with painting, drawing, photography, and clothing designs as well as graphic design work over a period of 20 years. My artwork can be found in museums around the country, and in numerous private collections.

Skills

- Graphic Design
- Photography
- Compose Music
- Painting/Drawing
- Clothing Design
- Collaborate on projects
- Conceptualize Ideas
- Effectively Communicate
- Innovative

Experience

Gallery Assistant / Higgins and Maxwell Gallery, Louisville, Kentucky

Interacted with private collectors/institutions, curated upcoming art exhibitions, and art handling with shipping and receiving.

Graphic Designer / Net-XD, Phoenix, Arizona

Photo manipulation for video games, worked remotely, and collaborated on various graphic design projects/free lance art.

Education

2004-2009

Bachelors of Fine Arts / The School of the Art Institute of Chicago, Chicago, Illinois

Received a full scholarship, help facilitate the first Native American Student Group called N.A.S.A, multi-disciplined studies including painting, figure drawing, sculpture, mixed medium and film, sound and new media.

2001-2003
