Community Projects

2014 *Emerging Artist Mentorship*. In collaboration with The Providence Plan provided Burmese refugee artist with a solo exhibition and administered curatorial and professional skills guidance and gallery coordination, including securing donated materials and resources and training on archival framing practices.

2013-14 *Integrated Exhibitions Series*. Conceived and executed exhibitions that discover parallels between the work of artists with disabilities and established artists.

2012-13 *Gallery for 'CHANGE Campaign*. Conceived and executed a fundraising campaign and renovation project to professionalize the gallery at Artists' Exchange, a community based arts center located in Cranston that provides instruction to individuals with developmental disabilities hosted by Gateways to Change, Inc.. The space was improved to better serve the artists and the unique quality of their work.
