Your Happy Place Liquors Logan Square - Spirits, Lounge and Art!

More than a liquor store this place is a lounge, an art space, a hang out, a spot for wine, beer and spirits tastings while introducing artists to Logan Square. They feature a lineup of rotating artists, and I have been invited to show my work there in the month of November (opening date coming soon). David and Julia Cruz, owners of [YHPL](#) are so awesome that they are this year's Twisted Oyster Film Festival chief sponsors. We are having a kickoff party on Friday, October 6 from 6-9 PM to open the festival. We will have free tastings, a raffle and more!
