On Guard: Artist Talk

@ Matthew Rachman Gallery

1659 W Chicago Ave, Chicago, IL 60622

Opening Thursday, November 15th, from 5:30 - 7PM

Matthew Rachman Gallery is pleased to present an artist talk as part of the programming for “On Guard”, a group exhibition curated by Kasia Kay Art Projects.

Artists, Megan Euker and Marcela Torres will be in conversation with curator, Kasia Kay. This event will begin with Marcela Torres’s performance of “Agentic Mode” (2018). Following is the artists and curator’s discussion, dissecting notions of gender equality, safety and violence, as well as the sport’s poetic contradictions, all through the artists traditional and non-traditional depictions of boxing-related imagery.
