

Ruth Cohen  
Visual Artist

## **BIOGRAPHY**

Ruth Cohen is a mixed media artist. She is a self-taught and has been creating art since 1992. She hikes daily, inspired by the natural beauty in the Sandia mountains and the exceptional New Mexico light. Her creativity is impacted by visiting other countries and cultures. She travels to European countries frequently, and she stays in Bangkok, Thailand during winters to be with her son and his family. From Bangkok she travels to other countries in Southeast Asia. She has exhibited at Mariposa Gallery since 2014, and with the Luna Project since 2009. She sells her artwork in France, Thailand, Laos and in Albuquerque, New Mexico. She has sold an excess of 50 pieces of artwork.
