

# Ellen Greene

— PORTRAITS —

- Reach out via e-mail and tell me a little bit about the portrait you would like, send any photos or inspirational materials to: [byellengreene@gmail.com](mailto:byellengreene@gmail.com)
- I quote each project based on size and scope of the portrait. Payments can be broken down over the course of several months. 50% down is needed to begin any project.
- Some standard sizes are 8"x 10", 11"x16", 18"x 20". Custom sizes are available. On canvas or artist panel.
- I can paint a portrait from a photo that you provide, or schedule a sitting where I can take photographs and do a quick live sketch.
