Tracking apron inventory

has never been easier

Wolf Tracks is a mobile and desktop app that offers:

- Inventory Management
- Quality Assurance Management
- Clear Concise Reports for JCAHO
- Built-in Support

Available on iPhone, iPad and desktop computers.
Coming soon on Android.

ANTIMICROBIAL APRON

Introducing the Easy Wrap Antimicrobial Apron featuring a top layer to assist in the reduction of bioburdens and microorganisms. The liquid proof polyurethane laminate prevents blood, urine, barium and other liquids from penetrating the lead apron.

Two side velcro closures allow you to custom fit the shoulder weight distribution. A handy pocket is sewn on the breast. Apron includes attachable thyroid collar. Thyroid collar attaches with to the apron with a strap to insure it doesn't get misplaced when not in use.

The Easy Wrap Antimicrobial Apron is .5 mm Lead Equivalency Protection; follows JCAHO and AORN requirements.

- Reduction of bioburdens
- Reduction of microorganisms
- Impervious to liquids
- Protective layer
- Wipes clean for longer use
- Thyroid collar included
- Easy wrap for custom fit

MOBILE PROTECTION

The Clear Lead Mobile Barrier provides a full-body shield for one or two doctors or radiology technologists, and can be easily repositioned or moved from room to room. The optically clear, lead plastic viewing panel rests on an opaque lower panel, and provides exceptional visibility with 0.5mm or 1.0mm lead-equivalent protection. The shatter resistance and durability of Clear Lead ensures long life under heavy use.

7-9PM

Just \$5

Skate rental not included.

Have you ever had a vision
of giving back to society
in a meaningful way?

We are seeking mentors to help support our teen moms who have aged out of the foster care system.

A little time spent goes a long way in making the difference in the lives of our most vulnerable population. One caring, loving, adult is will make such a huge impact on a mom finishing her high school diploma and going on to college. Also supporting a teen mom with obtaining an apartment as well as making it through the most difficult times of being a parent.

Interested?
Applications are now available on our website under the tab Sponsor a Teen Mom and download the application.
Application deadline is June 1, 2018.

Northwell Health Ice Center Waiver Form

I, _____ (the "Participant"), or the Participant's parent/guardian if he or she is under the age of eighteen (18), hereby acknowledge(s) and record(s) my/his or her independent and voluntary decision to participate in any skating lessons and/or other activities (collectively, the "Program") conducted by or involving, and/or to use facilities and equipment provided by, Twin Rinks Acquisition Company LLC doing business as Northwell Health Ice Center (the "Company").

The undersigned understands that ice skating and participation in the Program may entail certain anticipated and unanticipated risks, dangers and hazards, including possible serious personal injury, paralysis and/or death. The undersigned agrees that the Participant should not participate in the Program unless the Participant is medically able.

The undersigned hereby acknowledges the voluntary and informed assumption of full responsibility and liability regarding any injuries that the Participant may incur coincident to his or her participation in the Program. The undersigned hereby confirms that I have informed the Company of any medical/health concern the Participant may have, that the Participant is medically able to participate in the Program and that I accept full responsibility for the Participant's behavior and health throughout the Program.

Participant understands that photographs may be taken during the Program and consents to the use by the Company and/or its affiliates without further consideration of any such photographs in which Participant's likeness or image appears.

The undersigned, for myself and on behalf of my heirs, assigns, personal representatives and next of kin, hereby expressly waives, releases, discharges, indemnifies and holds harmless the Company, Nassau County, the New York Islanders Hockey Club, L.P., the National Hockey League and its member clubs, and their respective owners, parents, subsidiaries, directors, officers, employees, contractors, agents, participants, sponsors, volunteers, successors, affiliates and/or assigns and any other person or entity doing business with or on behalf of the above-listed entities (collectively, the "Releasors") from any and all liabilities, claims, demands, costs, expenses, damages, actions or causes of action that the Participant may incur or acquire during the course of the Participant's involvement with the Program, whether arising from the negligence of the Releasors or otherwise, to the fullest extent permitted by law.

The undersigned also warrants that he or she is eighteen (18) years or older and mentally competent to grant this waiver.

Name of Participant: _____

Participant Signature (If 18 or older and competent): _____

ON-ICE CLASSES

POWER SKATING: Geared to skaters possessing a good working knowledge of edging and turns. Primary focus is on power and stamina.

SPIN CLASS: Primary focus is to develop and enhance a skaters basic spin technique in order to achieve fast, centered spins with numerous revolutions. Combination/tying spins and difficult variations are covered.

EDGE CLASS: Primary focus is on quality of edge and the importance of proper body alignment in achieving clean turns and deep sustained edges.

CREATIVE MOVEMENT/PROGRAM COMPONENTS: This class will explore creative body movement and expression to foster a better understanding of the US program components.

JUMP CLASS (LOW/HIGH): This class focuses on proper jump technique and the basics necessary to achieve quality double and triple jumps. Low level is for skaters learning single jumps. High level is for skaters who can do a clean axel and above.

OFF-ICE CLASSES*

STRETCH CLASS: Stretching prepares the body for exercise and increases range of motion which is essential in all aspects of skating. Stretching plays an integral part in injury prevention by increasing blood flow to muscles. Class focuses: endurance, posture and centering.

BALLET: Is fundamental to the development of any skater. Ballet helps a skater develop core and lower back strength and body awareness. Ballet helps skaters control fluidity of movement and promotes endurance, posture and centering.

OFF ICE JUMP CLASS: This class is designed to prepare skaters for multi-revolution jumps. Focus includes jump warm-ups, exercises for jump explosiveness as well as drills for quicker, more efficient rotation. Jump take-offs, air and landing positions will also be covered.

FITNESS: Developed by a strength coach with a senior-level competitive skating background, the off-ice figure skating training program at Institute 3E is designed to increase endurance, strength, mobility, agility, posture and overall athleticism. To register for this program, please stop by Institute 3E, located on the second floor at Northwell Health Ice Center.

Summary

- The Newsday/Suffolk-Queens market is home to many affluent adults who like to travel.
- The Newsday/Suffolk-Queens market accounts for 24% or \$3.4 billion of travel expenditures in the NY DMA.
- Newsday's reach in the Nassau-Suffolk-Queens market far surpasses that of the other New York newspapers.
- Newsday's readers are exclusive; the majority do not read any other newspaper.

*Have you ever had a vision
of giving back to society
in a meaningful way?*

We are seeking mentors to help support our teen moms who have aged out of the foster care system.

A little time spent goes a long way in making the difference in the lives of our most vulnerable population. One caring, loving, adult is will make such a huge impact on a mom finishing her high school diploma and going on to college. Also supporting a teen mom with obtaining an apartment as well as making it through the most difficult times of being a parent.

Interested?
Applications are now available on our website under the tab *Sponsor a Teen Mom* and download the application.
Application deadline is June 1, 2018.
