(+61) 0438 401 148 | hello@elizabethjedmonds.com | www.elizabethjedmonds.com | Walpole, Western Australia

Dr Elizabeth Edmonds is a visual artist and a research scientist specialising in palaeoecology and climate change. She lives and works in Walpole in the southwest of WA – an international biodiversity hotspot where she helps raise awareness of ecologically significant communities, such as peat habitats, through her art. Her work is represented in collections in Australia and overseas; and she also owns and operates Petrichor Gallery.
