

Services Offered: updated June 2024

*Relief Printing:*

Titan & Weald is equipped to edition and proof wood engravings, woodcuts, linocuts, photopolymer plates, metal line cuts and metal type on our 1840s Albion iron hand-press.

Maximum paper size: approximately 13 ½ x 12 inches.

Maximum block size: approximately 9 x 13 inches.

Larger blocks and warped blocks may be printed by hand or at our partner offices in Portland, Maine.

*Intaglio:*

T & W can proof or print small editions of etching and engraving plates.

Maximum paper size: 15 x 23 inches.

*Other Related Services:*

Inquiries for illustrations, digital typesetting and lettering are also invited.

*Itinerant Printer Services:*

I occasionally assist printers with short and long time projects in New York, New Jersey and New England. I am familiar with the: Golding Jobber, Heidelberg Windmill, various Vandercooks, Washington and Albion Style handpresses, Linotype/Intertype machines, Ludlow caster, Monotype keyboard, and various etching presses.

*Instruction:*

Time allowing, I may be able to teach or assist with workshops and classes. I have taught relief and/or intaglio printing at the School of the Art Institute of Chicago, Drew University, Ox-Bow School of Art, and Dartmouth College. I have also provided technical assistance for courses at the Haystack School of Crafts.
