

I am an artist and interior designer. I studied art and design at the University of Mississippi in Oxford. After graduating I worked for Architectural and Design firms in Jackson MS, New Orleans LA, and Portland ME. Now self-employed I focus on building design in my interior design practice and landscapes and seascapes in my art practice.

My participation in juried shows includes *The Yarmouth Arts Festival*, Yarmouth ME and *Top Art* at Roux & Cyr Gallery, Portland ME. Group shows include, *Aldermere Farm Art Show*, Rockland ME, *Art in the Park*, Auburn ME, and numerous Meetinghouse Arts member's shows.

I work and paint in my Freeport studio but I enjoy painting outside where I can take in the beauty around us. The relationship of objects to each other, colors beyond the obvious, light and shadows, values and textures are so easy to miss in our busy lives. Painting and sketching help me focus on my surroundings and notice the details that could otherwise slip past.
