TEACHING EXPERIENCE

Professor of Record

Texas Woman's University, Denton TX

Spring 2024

ART 4613 Printmaking

- Educated students on the history, terminology, and various historical and contemporary printmaking processes through lecture and demonstration. Students applied this knowledge to create various multi-part projects, as well as to critically analyze prints through critique. Educated students on the proper technique in maintaining a collaborative and functional printmaking studio.

Professor of Record

Texas Woman's University, Denton TX

Fall 2023, Fall 2022

ART 1203 2D Foundations

- Educated students on theories, terminology, and diverse artists connected to the principles and elements of art and design. Students applied this knowledge to create projects that challenged their critical visual thinking and problem solving. Students also learned to critically analyze and evaluate art through group critique.

Graduate Assistant

Texas Woman's University, Denton TX

Fall 2021-Spring 2023,

Woodshop Monitor/Assistant with Various Classes

Spring 2024

- Assisted in safety demonstrations covering use of basic equipment and machinery. Maintained a clean and organized woodshop through daily cleaning, conditioning of machines, and other related duties. Assisted and supervised students using the woodshop, enforcing safety above all else. Additional teaching assistance for various sculpture classes (3D Foundations and Sculpture in the Environment) and other projects such as mold making and Iron Pour setup and cleanup.
