

## **Art & Art History Woodshop Safety and Procedures**

1. Dress appropriately - safety glasses or goggles, closed-toed shoes, no loose clothing or jewelry, no headphones.
2. This shop is for students and faculty who have completed Shop Orientations. Read instructions and ask a supervisor before using a machine for the first time. Do not operate a machine or tool until you know how to turn it off.
3. Know location of First Aid Kit and main power switch.
4. Know emergency number -- 205-348-5454
5. No conversations at machines. Do not interrupt anyone using a machine unless someone is in danger.
6. Clean up after yourself.
