

NADIANA ART GALLERY

Members only - Solo/ Group art exhibition proposal

Visual Artists are invited to submit show proposals for consideration in NADIANA ART GALLERY for the upcoming 2025/2026/2027.

Member artists can submit a proposal. When submitting, artists should consider the need for a consistent body of work. Group shows should provide diversity of approach, media, style, and geographic origin toward one theme, while solo exhibits provide a deeper insight into an artist's vision.

Types of proposals (All artists being part of the submission should be an active member of NADIANA ART GALLERY):

- **Solo exhibits**

- **Two-person exhibits** (Application should be made by one of the artists, who must be the primary contact for the two artists).

- **Group shows** (Applications should be made by one of the artists, who must be the primary contact for the group).

***NOTE** that our curatorial process also considers combining solo proposals into small selective group shows when possible and agreeable to the artists. These have often resulted in exceptional exhibits showcasing a dynamic relationship between the two bodies of work featured.

Eligibility: Member artists can submit a proposal. When submitting, artists should consider needing a consistent and strong body of work. Quality of documentation matters, including installation views, framed/presentation views, etc., when possible.

Media/Genre, etc: The gallery is open to all visual art, traditional and non-traditional Genres, and media (which must be family—and kid-friendly).

All visual art will be considered, including 2D and 3D work (no video or film submissions). We have limited pedestal availability for 3D works, so keep in mind that the gallery is mostly used to display 2D artworks. In this case, we could combine 2D and 3D submissions, so we still encourage 3D submissions.
