Skills

I excel in design and creative elements such as acrylic and watercolor painting, drawing, digital painting, photography. I also have comprehensive experience experimenting with unorthodox media in creative ways, techniques that involve pyrography, printmaking, carpentry, and metal fabrication.

Most recently I've been combining my passion for music with my proficiency in art by customizing guitars with paint and woodburning methods, as well as diving into a series of sculptural portraits and landscapes using welding processes

Exhibitions and Experience

58th Annual Juried Exhibition, APSU, April 2026

Liquefaction BFA Studio Art Thesis Exhibition, APSU, April 2026

Manifest's 16th Annual TAPPED Exhibition, Cincinnati OH, December 2025

The Beach Episode Thesis Group Exhibition, APSU, December 2025

Several Major art sales and commissions since 2023, Including a 7x4' painting, *Drop In a Pond* to the Dean of Arts and Letters at Austin Peay, Dr. William "Buzz" Hoon.

I have worked in Construction and Maintenance with Beck Construction since 2019, developing important craftsmanship skills, and I have been a paid musician for Clarksville's Real Life Sango and First Baptist Church since 2021.
