Experience

OPS Park Ranger

Present

Department of Environmental Protection | Wakulla Springs, FL

- Give 45 minute interpretive boat tours by introducing visitors to the cultural and natural resources present along the river
- Organize data for wildlife surveys and volunteer hours by using excel and word programs
- Patrol the park ensuring visitor safety both on foot and boat, reminding visitors of park rules when necessary

OPS Cashier

2021 - 2024

Department of Environment Protection | Wakulla Springs, FL

- Used POS system for transactions
- Provided information about park and directions for visitors
- Communicated with park staff and officials during emergencies such as hurricane preparation
