Experience

OPS Park Ranger

2025 - Present

Department of Environmental Protection | Tallahassee-St. Marks Historic Railroad State Trail

- Clean and maintain trail facilities including bathrooms, offices and pavilions
- Communicate with staff during park projects such as tree trimming and transportation
- Enforce rules and regulations to promote visitor safety such as reminding those with dogs to be on leashes and no golf carts
- Operate a UTV to collect trash and other supplies across the trail
- Assist with maintenance repair and upkeep for park vehicles and machinery

OPS Cashier - OPS Park Ranger

2021 - 2024

Department of Environment Protection | Wakulla Springs, FL

- Provide visitor service by welcoming guests at visitor centers and the ranger station
- Patrol day use and swimming areas on UTV, boat and on foot while reminding visitors of the rules and regulations when necessary
- Organize data for wildlife surveys and volunteer hours by using excel and word programs
- Create interpretive events that promote the wildlife of the park using art supplies available to all visitors
- Perform 45-minute boat tours that introduce visitors to the Wakulla River and its rich history and wildlife

Volunteer Experience

McGlynn Laboratories

May 2026

- Take water samples at Wakulla Springs
- Measure visibility of water and report data
- Count wildlife present on the river
- Assist at laboratory by organizing and inputting data
- Measure height of aquatic plants
