Work History

- **Fluff Hardware**
 - (208) 724-2042 - Boise, ID
 - Retail Cashier - 08/2020 to 08/2021
 - When working for Fluff Hardware I played a key role in selling handmade jewelry at local vendor markets. My responsibilities included setting up the vendor tent and products in an aesthetically pleasing manner, keeping track of the product throughout the day, greeting customers, and selling jewelry throughout the day.
 - **Picture This Frame Shop**
 - (208) 388-0641 - Boise, ID
 - Framing Assistant - 06/2017 to 08/2021
 - Picture This Frame Shop taught me a great deal about what goes into the care of artwork. During my time there, my role was not only to help clean up, but also help with different parts of the framing process such as putting frames, cleaning paintings, and cutting glass
