EXPERIENCES

- **11/2014 – Present** | **Production Artist** | Epsilon
 - Design print advertisements promoting dealerships of major automotive brands across the United States.
 - Assemble Powerpoint presentation decks and print banners for potential client pitches.
 - Positively contribute to \$36 million in revenue for the automotive department of Epsilon.
 - Develop solutions to production errors on Epsilon's automated e-blast and web banner program.
 - Recognized as a leader among the production artists through my ability to manage very tight deadlines while remaining composed and focused.
 - Consistently meet client expectations under strict deadlines and brand standards.
 - Collaborate with sales and marketing departments to successfully articulate clients' needs, and regularly meet expectations through targeted art direction and production.
 - Play a successful role in managing projects and articulating workload.
- **5/2013 – 11/2014** | **Graphics Manager** | I&M Canal Heritage Corridor CVB
 - Boosted tourism by designing all promotional and advertising print media for businesses and events in communities to boost tourism along the I&M Canal.
 - Collaborated with clients and designers on ads and page layouts for company's annual Visitors Guide.
 - Assisted family-friendly events to promote the Heritage Corridor as "Chicagoland's Largest Playground."
